## Lincoln County Senior Games

That's a wrap on the 2018 Lincoln County Senior Games! Thank you to everyone who participated and to all of our generous sponsors. Over 115 people competed in this year's games and we look forward to even more next year. We gave out 279 medals and had 84 participants qualify to compete at the North Carolina State Games this fall. Be sure to follow us on Facebook (Lincoln County Senior Games) for updates on State Games and for information on the 2019 Local Games.

**The mission** of Lincoln County Parks and Recreation is to provide recreational opportunities for the citizens of Lincoln County through the development and operation of parks and facilities, sponsorship of programs, classes and special events and by working with others in the preservation of the dwindling open space and natural resources of our County.
